POLICY STATEMENT - QUALITY ASSURANCE TO BS EN ISO 9001

Met Consultancy Group consists of Met Surveys Ltd, Met Consulting Engineers Ltd, Met Geo Environmental Ltd.

MET CONSULTANCY GROUP is dedicated to consistently provide its clients with a service that as a minimum satisfies the clients needs and expectations as well as other statutory and regulatory requirements.

The management recognise that quality is determined by the cumulative effects of our , activities, environment and of personnel involved directly or indirectly in the processes and that we must strive to continually improve the effectiveness of our Environmental & Quality Management System (EQMS).

As part of this continual improvement process the management will establish environmental and quality objectives, monitoring systems, evaluate and discuss performance, the review targets at regular Management Review meetings. Appropriate personnel will be involved and their roles will be explained.

Quality is the collective and mandatory responsibility of all personnel and our policy will only be achieved by the commitment and team effort of all employees and adherence to the EQMS requirements.

All personnel will be trained in their role within the EQMS and the relevant parts of will be available to all persons involved in the management and inspection of quality to enable them to take action needed to operate the EQMS successfully.

This policy will be reviewed to ensure its continuing suitability to meet Group, client and other requirements

Please forward to me any suggestions that may lead to an improvement in the quality of our work.

Signed

Neil Harvey
Chairman
